Our NOW Cup is designed to replace the familiar paper takeaway cup for hot drinks on the go.

Every purchase of Circular&Co. Reusable Coffee Cups funds a sustainable solution to global waste.

- Made of single-use paper cups
- Designed for 5 years of use
- Perfect for hot drinks on the go
- Has a traditional snap-fit lid & insulated body
- 100% recyclable at the end of its useful life

To aid the transition of reusables into everyday life, we have developed the cost-effective NOW Cup, made from single-use paper cups.
